## Portals

Choose your appropriate system

**Current Students:**

  is used by enrolled students for the following types of activities: registration (registration, drop/add), financial aid (view and accept awards, notify us of external scholarships), and billing (pay your bill, set up a payment plan).

**Prospective Students:**

 **My UC Denver** is our portal for prospective students who plan to attend UC Denver. We invite you to create an account to: schedule an information session for undergraduate prospective students, schedule a campus tour at the downtown campus, apply for admission, and check your admission status (undergraduate only). Graduate students need to check with their graduate department with questions about their admission application status.

If you are applying for financial aid you can also check the status of your application and view a list of documents and/or actions that you need to take to complete the process. You may also apply for UC Denver scholarships through the online scholarship application.

Supported Browsers: Internet Explorer 7-8, FireFox 3.5.1-3.6, Safari 3.1.x-4. Most browsers will provide standard portal functionality, but for the best experience use FireFox 3.6.

**Need help?**

**Do you have the right username and password for UCDAccess?**

**Students, Faculty & Staff**

To log into the UCDAccess portal you will need your official University username and password. These are the ones that you use to log into your University email.

Students: please note that these credentials are different than the ones you may have used for the prospective student portal.

**Do you need to get your official University username and password?**

**New Students**

If you are a new student you will need to claim your official University account to get your new username and password by visiting the appropriate site for your campus:
